

All About Me Assignment

Task: Construct a double-page spread that portrays one of the assignment ideas below. This is your one chance to include you and your friends since we focus on others in the yearbook. Grading will be based on knowledge of templates, yearbook design, layout, copy, captions, etc. This assignment is flexible; here are some ideas:

- Create a spread about your life, family or friends.
- Create theme proposals for next year in the form of a yearbook spread.
- Demonstrate proficiency in design and writing by covering a school activity in a new and fresh way.

Requirements:

1. Vital statistics: First and last name, birthday, etc. Name must be in a headline
2. Small (4-5 sentences) paragraph about yourself
3. Include at least 2 “favorites” (i.e. food, music, TV, etc.) or hobbies
4. ALL photos must have captions
5. ALL people in the photos must be identified with FIRST and LAST names
6. One infographic or graph (i.e., “I spend 90% of my time texting, 1% doing homework, 1% sleeping, 2% talking on phone, etc. shown in a graph)

Your pages can include (but aren't limited to) the following things:

- Family
- Friends
- Pets
- School
- Work
- Hobbies
- Future goals
- Favorites (books, music, etc.)

CAUTION: ALL BLEED ELEMENTS MUST EXTEND ONE PICA FROM RED TRIM LINE

Drag an image into your headline

All About Me

ME: A TOP 5 LIST

- 1.
2. Make a Top Five List for yourself about things you find most important for happiness in your life.
- 3.
4. Add photos of your top three wants/needs.
- 5.

THE BEST THING TO HAPPEN TO ME THIS YEAR

MY FAVORITE PERSON, POSSESSION AND PLACE

Make this photo black and white.	Colorize this photo.	Make this photo sepia.
MY FAVORITE PERSON	MY FAVORITE THING	MY FAVORITE PLACE
Write short caption about your favorite person here.	Write short caption about your favorite possession here.	Write short caption about your favorite place here.

A DAY IN THE LIFE

6 AM	10 AM	LUNCH	3 PM	EVENING	9 PM
These photo boxes should include photos that show an average day in your life, captured at the times above.					
HINT: The Align and Distribute tools located in the Contextual Toolbar are helpful in getting these photos lined up and equally spaced.
