

Hi –

The Southwestern Michigan College Visual Arts department awards Art Talent scholarships that are up to \$1,500 for visual arts and graphic design majors for the freshman year. These are for art/design majors who enroll for at least 12 credit hours and two art classes per semester. Students who are successful in their freshman year may also apply for an Art Talent scholarship for their sophomore year.

We will be interviewing and reviewing portfolios for the freshman Art Talent scholarships on:

**Thursday, November 29, 2018 from 5:30pm to 7:30pm**

All interviews will take place in Room 129 of the Lyons building on SMC's Dowagiac campus. To apply, make an appointment by email with Marc Dombrosky, *Visual Arts*, or Bill Rothwell, *Graphic Design* at the email addresses below. Please come by so that we can meet you and see your work. Bring about 10 samples of your best artwork to the interview along with a copy of your high school grade transcript. Photos of oversized artworks are welcome. To qualify for an Art Talent scholarship, your high school GPA should be at least 2.5. Please also complete the online talent scholarship application at:

<https://forms.swmich.edu/scholarships/talent>

*Hope to hear from you soon.*

**Visual Arts**, including drawing, painting, ceramics and art education:

Marc Dombrosky, [mdombrosky@swmich.edu](mailto:mdombrosky@swmich.edu)
